EXAMINER'S AMENDMENT

An Examiner's amendment to the record appears below. Should the changes be unacceptable to Applicants, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Heidi Erlacher on September 7, 2006, (see the attached Interview Summary).

Insofar as the below changes to the title and to claim 5, (i.e., the correction of "g" to ---c--), are editorial in nature, authorization for these changes was not obtained.

The application has been amended as follows:

In the Title:

The title has been amended as: ---Method for Treating Fibrotic Diseases and Other Indications ~~ID~~---

In the Claims:

In claim 5, line 9 under the depicted structure has been amended as "(a) R⁵ is hydrogen or alkyl"; and

line 11 under the depicted structure has been amended as "~~gc~~. X is a pharmaceutically acceptable salt of the compound of formula II,".
